SUMMARY OF INFORMATION

The targeted structure has trees, growth, hills, a reservoir and other structures surrounding it. The structure is old, a ruin of sorts, and is religion related. However it is not a chapel. It is rare and a new one is currently being built miles away. Tourists visit the area. The result of the search was Pennsylvania.

SUMMARY OF INFORMATION

The little structure, although man-made, is given to landscape. It is old and symbolic with a decline on the surface. A name is on it (guard). It is not a statue or building or a monument. It is constructed of brown/black steel with a pebbled surface. People have been buried in the area. The result of the search was Boston, Massachusetts.
